

Our commitment to Island charities continues to be of great importance to us and we help many organisations across the year raise money.

We allow certain charities the opportunity to visit the park and have stalls to raise money and awareness to our visitors.

We donate items for schools and organisations raffles and charity fund raising days.

Our Charity pond was designed and completed by a local business using Isle of Wight stone and it continues to raise money.

Some of the people we have helped in the past year include;

- Hampshire & The Isle of Wight Air Ambulance,
- Totland Parish Council,
- Freshwater Lifeboat,
- Freshwater Bay Golf Club,
- Freshwater fire station,
- Guide Dogs for the Blind Association,
- Rotary Club of West Wight,
- Wight Squirrel Project,
- RNLI, Salvation Army,
- Earl Mountbatten Hospice,
- Isle of Wight Rotary,
- Isle of Wight Scouts,
- Muscular Dystrophy Campaign
- Wessex Cancer

The Earl Mountbatten Hospice 'Walk the Wight' is one of the main charity events we are involved with as well as the Young Chamber and Young Enterprise,
