

THE NEEDLES LANDMARK ATTRACTION  
ACCESS STATEMENT 2022

(Obtained from our website and any till point on site)

The Needles is committed to the Equality Act and as such, will endeavour to meet the requirements of all our guests. Due to the physical nature of the site certain devices at The Needles can be physically demanding. Therefore we will endeavour to make adjustments to meet all requirements. Please contact us and discuss your requirements prior to your visit or upon arrival.

This guide has been designed to assist our disabled guests to ensure that you have a safe and fun packed day out.

We want all our guests to get the most out of the park and enjoy as many of our rides as possible.

This guide has been produced to give you a realistic picture of our rides and attractions, detailing access issues, and ride requirements.

Hopefully this, along with general ride requirements detailed on signage at the rides, will enable you to assess your own

abilities and make an informed decision about which rides and attractions you are able to, or wish to use.

All staff at The Needles Landmark Attraction are happy & trained to assist all our customers with their requests whilst on site.

All public areas of the site (except for some rides & the beach) are accessible to wheelchair users. The physical nature of the site results in some steep slopes which may need to be negotiated with care. Please speak to a member of staff if you require assistance.

There are 14 designated accessible parking bays clearly marked next to the site main entrance, available to blue badge holders only. For those customers arriving via coach, the coach drivers are permitted to stop whilst passengers disembark and embark on the main roundabout at the entrance.

There are two accessible toilets along with accessible baby changing rooms on site, one next to Marconi's bar and the other situated next to the carousel.

There are printed copies and large print copies of the glass studio and sweet manufacturing demonstrations available upon request.
